Regional Chapter
18-28th October 2014**

*Women of the Word
Embracing Life*

Creator God, giver of all life,
as the Marist Sisters move forward in hope
towards their forthcoming meeting,
we ask you to grant an outpouring of your Holy Spirit
on their Congregation.

Through pondering your Word
may they recognise the invitation
to step out joyfully in courage
towards the future to which you are leading them.
Free them from all fear and anxiety.

Lead them to embrace life in all its fullness.
May they allow the charism you have given them to inspire them anew
that they may become ever more effective evangelisers in our world.

May Mary, their first and perpetual superior,
and all the Marist saints,
be their companions on this journey.

Amen
