

General Chapter 2015
***"Women of the Word,
Embracing Life"***

Creator God, giver of all life, as the Marist Sisters move forward in hope towards their 29th General Chapter, we ask for an outpouring of your Holy Spirit on their Congregation.

Through pondering your Word may they recognise the invitation to joyfully step out in courage towards the future to which you are leading them.

Free them from all fear and anxiety. Lead them to embrace life in all its fullness.

May they allow their charism to so inspire them that they may become ever more effective evangelisers in our world.

May Mary, their first and perpetual superior, and all Marist saints, be their companions on this journey. Amen
